SPA & TREATMENT

There are various types of hair spas available at la coiffure salon. While most of them are directed towards nourishing and polishing hair for long-lasting smoothness and shine, each of them have specific characteristics as well. These are targeted towards certain hair concerns, and when done on a regular basis, prove to be very efficient in getting rid of said hair concern.

Some of the most common hair concerns that warrant immediate attention are excessive hair fall, itchy and dry scalps, oily hair, slow hair growth, roughness and split ends, too much dandruff and dullness.
